

## Peninsula Ski Club of Virginia NON-SKI Activities

In addition to the schedule below, the Peninsula Ski Club (PSC) hopes to be add other fun events, with your help. How about getting together for an outdoor concert, or to see a local play or show, or maybe a tubing or canoe trip? [See info about a developing kayak group after the schedule.](#) Can we make a holiday trip to New York City this November or December?

**The Blue Ridge Ski Council (BRSC) has non-ski trips** available to our members. Examples are a **Tahiti & French Polynesia Clipper Cruise, Erie Canal Bike Trip, Greek Cruise/Tour, Octoberfest (Germany), and Barcelona.** Since PSC is a member-club of the council, our members may participate at no extra cost, without joining the council club running the BRSC trip. Generally you will need to provide your own transportation to their departure site. You may access BRSC from the PSC website, or go directly to <http://www.skicouncil.com/> and click on trips.

Watch the PSC website and email updates to members for more non-ski summer activities. Note the color-coded schedule below, which includes **bike trips in green, water activities in blue, tennis in burgundy** and more.

**KAYAK e-mail NETWORK:**

Jeannette Carter is developing an e-mail list of PSC members and friends interested in kayaking. Jeanette will send out info about kayaking opportunities to the Kayak e-mail list (and others on the list will do the same). The purpose is to let people know when and where they will be kayaking and invite anyone interested to join them. Some invites may be very short notice.

Jeannette has offered to also organize a club kayak trip, if there is interest, so let her know if you are interested! Please encourage anyone even vaguely interested in kayaking to **join the kayak e-mail list by sending an e-mail to [carterjeannette@cox.net](mailto:carterjeannette@cox.net)** or calling Peninsula Ski Club member, **Jeanette Carter, at 303-2577.**
