PSC Ski News is Web-posted. Sept – May. Two newsletters are also mailed to members, one in September with new ski season's trip offerings in detail, and one in the Spring. Please submit items to Editor by the 20th for publication in the following month's newsletter. Word documents are preferred, with separate photos in JPEG. Up-to-date info is also provided on PSC website and via email updates.

President's Message:

Hello, fellow PSC members!

I hope that everyone has found a winter ski trip to their liking for this year's ski season. Don't wait to sign up - a trip may have to be cancelled if it doesn't have a certain number of participants by a specific date, as deposits must be made on airfare, lodging, etc. Our trip leaders will have information tables set up again at the October meeting and will be available to answer any questions about the trips.

Our VP and Program Chair, Heidi Quast, has arranged a great program for our Oct. 8th meeting. Mr. John Lomogda will speak to us about the energizing and beneficial aspects of running, a great way for us to keep in shape, while we are waiting for SNOW - hope to see you there!

Mary Jo Leber, PSC President

PSC SKI TRIPS FOR 2010

If you are planning on taking one of our great trips, but intend to wait until later to sign up, I seriously urge you not to procrastinate. There is increasing and earlier than ever pressure on our trip captains to firmly commit to the trip's number of airline seats and room reservations, or give them up. You should definitely commit by our October meeting to be assured a slot if you plan on going. Another reason not to delay is that the time for decisions as to whether any trip will have to be cancelled due to lack of sign ups is fast approaching. Our Mount Snow Trip has somewhat more flexibility.

Below are the PSC scheduled ski trips and dates for the 2010 season. We have an assortment of quality destinations that are spaced out in the approximately 10 weeks season so you can schedule any number of trips without conflicts. As past trip participants will tell you, it is the combination of great camaraderie of club members and the organized planning of our Captains that make PSC trips such fun and memorable events.

Ski trip flyers are included in the Newsletter or may be found on the PSC website. At our regular club meetings Ski Trip Captains make brief trip presentations, and have tables set up with information, handouts and are prepared to accept deposits for reservations. Specific questions about any trip should be addressed to that trip's Captain.

We are also considering a possible club-run day trip on an open weekday in Jan or Feb that might be publicized as an introduction-to-skiing or learn-to-ski trip to promote PSC and grow membership.

For those of you who can't make one of the above PSC trips, you are eligible to go on Blue Ridge Ski Council (BRSC) sanctioned trips at the same lodging and lift ticket price as the particular club sponsoring the trip (your transportation may alter total cost some). We are a member club of the BRSC and have a link on our website to the council.

UN-SCHEDULED SKI OPPORTUNITIES: 'Last minute' additional ski trips may be arranged when "local" Blue Ridge skiing conditions are good. These will generally be one or two day trips to near-by resorts, for people with the flexibility to go on short notice. Contact Agnes Evans (867-8072) if you want to be on the list to be contacted for those opportunity trips.

WOULD YOU LIKE TO RUN A TRIP: We are always looking for people that would like to captain a trip to a favorite area. See the Trip Captain's Manual, posted on the PSC website, for details on running a trip. If you are at all interested in enriching next year's PSC trip selection call me at (757) 868-7347 or email me at karencred@aol.com.

Ski the Eastern Sierra Nevada Mountains Mammoth Mountain, CA ❄️ 20 – 27 Feb 10

Ranked Number Nine in the entire US!*

Plans as of Oct 8, 2009 - New, Lower, Estimated Price: \$1659

MAMMOTH MOUNTAIN in the winter is a distinct California mountain experience: ample sunshine, plenty of snow, and room for everyone to play. 11,053-foot Mammoth Mountain dominates the Eastern Sierra skyline and has impressive statistics: 3500 acres, 3100 vertical feet, 385 inches of snow, and 300 days of sunshine. Whether you ski or ride, prefer steeps to cruisers, solitude or a party, Mammoth has a trail for you. Twenty-eight lifts, including the Panorama Gondola and Eagle Express six-pack high-speed chair lift, serve open bowls, killer bumps, hidden glades, gut-wrenching chutes, and impeccably groomed cruisers from top to bottom. Mountain amenities add to Mammoth's natural high. Four base areas provide equipment rental, demos, and storage. Mammoth's award winning Sports School features private and group lessons. Full service sport shops at The Village, Main Lodge, and Canyon Lodge have all the on-snow necessities. On-mountain dining ranges from sandwiches on the sundeck at the Mill Café; to market fresh salads and Panini at the Top of the Sierra Market; to BBQ, soups, and chili at the Outpost; to wide variety at McCoy Station's Marketplace Food Court; and much more. ***Ski magazine ranks Mammoth # 9 Overall, # 1 for Lifts & Terrain Parks, and # 6 for Grooming!!!**

JUNE MOUNTAIN, just a half hour north of Mammoth, is a gem of a winter resort. June is smaller and more intimate than its sister mountain, but the scenery and the atmosphere are unsurpassed. Where else can you gaze over one of the world's oldest lakes (Mono), volcanic craters, Yosemite peaks, and a valley straight out of the Alps—all during one lift ride? At June Mountain, the fun starts with a ride up to the June Meadows Chalet featuring a huge sundeck, rentals, repair, sport shop, cafeteria dining, bar, and a sports school for all abilities. Free-riders head straight to the JM2 terrain parks, with rail runs and an exceptionally sculpted pipe, while powder hounds wake up early to ski the Face. In between are wide-open groomed runs—perfect for soaking up the sun and breathtaking views. Stop for lunch or a drink at Stew Pot Slim's eatery.
