PSC Ski News is Web-posted. Sept – May. One newsletter is mailed to members, in September with new ski season's trip offerings in detail.. Please submit items to Editor by the 20th for publication in the following month's newsletter. Word documents are preferred, with separate photos in JPEG. Up-to-date info is also provided on PSC website and via email updates.

President's Message:

Hello, Fellow PSC Members;

Where are you going this year? Our September meeting is all about The Trips and we have a great Winter Ski Trip Schedule this year to talk about. You should contact the trip leaders directly, if you haven't already signed up, because if you wait to sign up, your first choice trip may be full or canceled for lack of sign ups. The deadlines for airfare and accommodations deposits keep getting earlier and earlier. Contact info for each trip leader is provided on the trip flyers in this newsletter. The trip leaders will be presenting the details of their trip plans at the September meeting. On behalf of the entire PSC Board of Directors, I hope you can attend.

Two of our Board members, Heidi and Chris, have recently resigned, due to personal complications in their lives. We are thus looking for volunteers to take over the responsibilities of VP and Ski Trips Chair. Please let any Board member know if you are willing to do so, or if you would like more information about either position.

Looking forward to another great ski season, Mary Jo Leber, PSC President.

PSC SKI TRIPS FOR 2011

The Ski Season is action packed with the following ski Trips. Please note because we must book as a group we need to know earlier and earlier. The trip captains have to negotiate with the resorts and tour operator who want commitments earlier this is why we need to have a commitment in September. So please look over the trips and see make your reservation at the September 9 Peninsula Ski Club meeting.

9-Day Trip – 4 Resorts – Up to 7 Skiable Days – Slopeside Lodging

PANORAMA – KICKING HORSE – FERNIE, BC & WHITEFISH MOUNTAIN, MT

Only 11 Seats Left!
(As of 20 August 2010)

❄️ 29 January – 6 February 2011 ❄️

Plans as of August 20, 2010 - Current Estimated Price: \$1869¹

This **Saturday to Sunday** trip takes us to **four different mountains** including the **3rd and 4th longest vertical in Canada**. We'll stay **slope side** in exquisite accommodations at **comfortable elevations** while enjoying **up to 7 days of fabulous skiing**, two group dinners, and two Continental breakfasts at a **lower cost per ski day**.

PANORAMA is now one of the Canadian Rockies' premier winter vacation destinations. The resort has almost 3,000 patrolled acres, including bowls, backcountry terrain in Taynton Bowl, the gladed Extreme Dream Zone, terrain parks, and an FIS-regulation halfpipe. Panorama is known for its high percentage of intermediate, advanced, and expert runs and, since everything is below tree line, it has an abundance of glade skiing.

KICKING HORSE was once the haven of heliskiers and riders. Now development is creating one of Canada's most significant new resorts. The resort has a 4,133-foot vertical drop, third in Canada right behind Whistler-Blackcomb. Serious skiers often go to great lengths to find steep, narrow chutes like the 70 at Kicking Horse. For the less daring, there are plenty of intermediate options, such as the 700-acre Crystal Bowl.

FERNIE has snow that is unbelievable—deep and light and almost magical. The terrain appears unlimited—if you see it, and can get to it, you can ski it. There are no crowds, so you have the mountain practically to yourself. Fernie consists of five seemingly limitless bowls of pure delight that dump you into gentle glades, gut-wrenching steeps and chutes, gnarly trees, and thrilling trails. Huge terrain for all abilities.

WHITEFISH MOUNTAIN (formerly *Big Mountain*) is in the far northwest corner of Montana near the Canadian border. The resort has 3000 acres of diverse terrain that includes top-to-bottom corduroy groomers, adventurous chutes, as well as massive bowls and glades filled-up on a regular basis with over 25 feet of light northern Montana snow. There are 94 marked runs with half rated intermediate level, 20% beginner-level, and 30% advanced or expert. The runs are long – but the lift lines are not. And we are just 19 miles from the airport.

TRIP INCLUDES:

- ❖ **Round-trip airfare** Norfolk – Kalispell, MT (Delta: Leave Norfolk 2/26, 0610; return 3/6, 2303)
- ❖ **Ground transportation**
- ❖ **Skiing:** 3 days at Panorama (4th day optional for ~\$45), 1 day at Kicking Horse, 1 day at Fernie, 1 day at Whitefish
- ❖ **8 nights lodging:** *Panorama Springs Resort* (6 nights) & *Kandahar Lodge* (2 nights). [This move allows additional skiing and puts us only 19 miles from the airport for our return flight]
- ❖ **Meals:** Planned 2 group dinners plus 2 Continental breakfasts at *Kandahar Lodge* [Grocery stop en route to Panorama]

LODGING: We will be staying six nights **slope side** in **Panorama Springs Lodge** with ski-in/ski-out convenience and direct access to the Panorama Springs Hot Pools. These **4 person, 2 bedroom, 2 bath condos** have a balcony, living room, fully equipped kitchen, gas fireplace, phone, TV, & DVD players. As we head back toward the airport in Kalispell, we will spend two nights at the AAA three-diamond, elegant, yet casual, **Kandahar Lodge** on Whitefish Mountain. These well appointed **hotel rooms for two** have two queen beds and include a **Continental breakfast Saturday and Sunday**.
